Category:Hindi film songsQ: Is the "what is" in "what is the answer to this question?" grammatical? What is the answer to this question? Is it grammatical? I don't think it is. I think it should be "what is the answer" A: The question is asking for the answer to a question. So the answer to the question is the answer to the question. A common mistake is asking what does this question mean? The methylmalonic acid (MMA) test. Methylmalonic acid 2d92ce491b
